## *Facials*

### **Eminence Organic Custom Facial**

Experience a customized facial using extracts from organic fruits, vegetables, and herbs that have the highest content of nutrients and active compounds, such as fruit acids, peptides, and minerals.

**50 Minutes, \$190**

**Or choose from one of the following:**

### **Clean and Clear Facial**

Cool and balance your skin with this gentle probiotic facial. Using probiotics, cucumber, tea tree oil, sweet almond milk, and yogurt, problem skin and breakouts will be treated and healed without stripping the skin of moisture, making it a great facial for any kind of skin irritation.

**50 Minutes, \$190**

### **Calm Skin Facial**

Redness, wind burn and irritation will disappear, while gently removing impurities with this chamomile infused facial. Using chamomile, arnica and rosemary, your skin will be calmed and hydrated. This facial is perfect for sensitive skin as well.

**50 Minutes, \$190**

### **Age Corrective Facial**

Created to address the signs of aging, sun-damaged skin, and dehydrated skin, this facial rejuvenates and tightens the skin using botanical hyaluronic acids to boost, tighten, and lift the skin.

**50 Minutes, \$190**

## *A La Carte*

### **Silver Aspen Hair and Scalp Treatment**

Experience the nurturing, hydrating, and enriching benefits of pure Argan, Kukui, and coconut oils in a jojoba oil base that will eliminate scalp irritation, treat dry and lifeless hair, and reduce moisture loss. This treatment also helps to prevent UV damage.

**50 Minutes, \$180**

### **Energizing Foot Treatment**

Restore flexibility and ease aches and pains. This foot treatment uses arnica, mint, sandalwood, and clove to dissolve muscle tension, relieve swelling, and speed healing time for overused muscles. We start with a gentle foot polish, followed by a hot compress, and then a massage with a cooling arnica-based foot cream.
